## Class Policies at Calico Cupboard

- There will be smaller classes of 5 people.
- There will be six feet between participants
- All students will be required to wear a mask for the duration of the class.
- All classes are a maximum of 5 hours.

Based on people's requests and what we feel to be the right thing to do at this point in time, we will be asking for proof of two doses of COVID-19 vaccinations, to be shown at the time of registration for any of the classes.
